

PUBLIC OPEN HOUSE #2

Date: Wednesday, April 17, 2024

Time: 4:00 pm - 7:00 pm

Place: Wilmington City Hall, Council Chambers
1165 S. Water Street

As part of the City of Wilmington's process to update its Comprehensive City Plan and prepare a new Master Parks Plan, this second open house will focus on gathering community feedback on potential development opportunities along the five corridor subareas shown on the map below.

[OR SCAN THE QR CODE BELOW]

- IL Route 53 Corridor**
Serves as Wilmington's primary arterial roadway running through downtown, across South Island, and the City's core to the rest of the community
- Strip Mine Road Corridor**
Provides a direct route to I-55 and one of Wilmington's industrial and commercial growth areas
- Water Street Corridor**
Runs south of downtown to one of the City's primary residential growth areas and a potential commercial growth corridor
- Lorenzo Road Corridor**
Provides access to industrial growth areas west of I-55
- Arsenal Road Corridor**
Provides access to industrial growth areas east of IL Route 53
